Activity #3 Worksheet: Tasks/Situations for Eliciting Evidence of Focal CT Proficiencies**

This worksheet is designed to give you an opportunity to tell us the types of tasks or situations that would elicit the evidence that you described in Activity 2.

- 1. The table below contains two columns. In the left column please write in the evidence you described in the worksheet for Activity #1. In the right column please describe possible tasks or situations that would elicit the evidence you identified in Activity #2. An example has been provided for you to review as you get started with the activity.**
